

Simplify Full-Arch. Increase Confidence. Improve Outcomes.

Digital is a better way to deliver AOX cases! Full-arch doesn't have to feel complex, unpredictable, or stressful. Whether you prefer **all-inclusive simplicity** or **full control with itemized options**, we support your workflow. Our digital AOX workflow is designed to give you:

Clarity Day One | Efficiency on Surgery Day | Confidence at Final Delivery

All-Inclusive AOX Advantage Packages

Predictable. Streamlined. Profitable.

Day of Surgery and Final Restoration (Up to 5 implant sites):

One price. One workflow. No surprises. Includes denture impression trays, same day design w/ milled PMMA, new PMMA redesign at final and definitive hybrid with final screws. Grammetry kit rental \$300 extra. Additional implant site \$300 each.

Packages billed at surgery. Payment due within 15 days of statement.
